From the desk of Ellen Chesal

Easter, Christians most ancient and important yearly feast, has now come and gone. Jesus, our new Moses, has led us, His church, through desert trials to a heavenly kingdom. We've been offered the water of eternal life and bread from heaven. We have heard the "Good News" once more and have celebrated the signs of the power of Christ's death and resurrection.

Like the flowers bursting out of the ground to greet the spring, we too are raised up and renewed by the Spirit that is within us.

We extend Easter blessing to each one of you and offer our sincere thanks for all that you do to keep us afloat. From a financial perspective, we've been holding our own, however upcoming projects require much more funding. Inviting your family and friends to join our cause and any help you can give will give us a tremendous boost.

Through your good works, CLC will continue with renewed hope, strength and conviction.

Pray for us as we pray for you.

## HAPPY EASTER

Now that the dust has settled and we have a new government, we can relax somewhat and be thankful we are free from the past government's mayhem, hopefully for many years to come. It is unfortunate however, that Prime Minister Steven Harper is not pro-life and it's not likely that he will make any effort to protect the pre-born during this Parliament. However, many conservatives are solidly pro-life and even pro-life liberals like Tom Wappel, Dan McTeague, Paul Steckle, Paul Zed, Ray Bonin, Paul Szabo and Jim Karygiannis were elected. We must continue to keep up the letter writing encouraging Prime Minister Harper to take a stand in defense of life.

In addition, Prime Minister Harper needs to be reminded about his promise to revisit the same-sex marriage issue. So far conservatives say no action will be taken until the fall. Gay-rights and social activists are now pressuring the new Harper government to turn its back on the people who put them in power. These groups are pressing on with a desperate zeal to bring Harper to heel and to follow their dictates, stating they speak for the majority of Canadians, and they are determined to control what Canadians think. Are they succeeding? They will if we don't do our part. We must all do something to counteract their rhetoric. Write letters to the Prime Minister, your MP, the editor of various newspapers, church papers, etc. Don't let their "one point of view" be out there to influence people. We need to speak out loud and clear in defense of family and life.

Be mindful the change in the definition of marriage erodes our beliefs and practices relating to marriage. Left unchecked, we may soon find ourselves in danger of losing our religious liberty as competing Charter Rights encroach on religious freedom.

**“SHOW THE TRUTH TOUR”**  
**July 20th—25th Nova Scotia**  
**July 26th—28th New Brunswick**

**As was mentioned previously, we are in need of financial assistance.**

Campaign Life has been approached by the "Show the Truth" committee to sponsor their tour which is coming to our Province. Forty (40) pro-life Christian brothers and sisters, who are dedicated to saving babies from abortion, are coming to Nova Scotia in July. The purpose of the tour is to educate the public about what abortion is. Participants go out in the streets holding signs silently and peacefully. They always, in every way, observe legal procedures and let the signs speak for themselves. Each year, the Show the Truth tours in different parts of Canada and all have met with great success.

Campaign Life will be responsible for their accommodations, meals and transportation.

In this culture of death, they are a powerful voice for the right-to-life of the pre-born and the right of women to KNOW THE TRUTH about abortion. They are convinced that the end of the abortion holocaust will not be realized until the truth is brought to the public that abortion does, in fact, kill a tiny, live person. Many women have opened their eyes to the wrong of abortion because of their signs and have changed their minds about killing the child in their womb.

If you are in a position to help with expenses for this most worthy cause, please allocate your donation for "Show the Truth" tour.

**POSITIVE OPTIONS FOR WOMEN—**

The John Paul II Media Institute will be producing the TV videos for their Media Ad Campaign this June. They will be using local people who will be revealing their adoption story. Appraisal for the TV spots were in the \$10,000 range.

Any ideas of fundraising for this cause, would be greatly appreciated.

"A person's dignity does not depend on his "quality of life," which nowadays is sometimes interpreted as merely the ability to experience pleasure."

John Paul II.
